From: Steve Mahlin, Director of Personnel/Human Resources

Subject: Response – Budget instruction item, approved by the Commission under Enrolled Ordinance 2018-683 - page 11, item 51 – Succession Plan

Per the requirement listed above, please accept this communication as a status update on our progress with implementing succession planning within Wayne County. Please be advised, our Engagement Division continues to make progress with their strategic priorities, as detailed below. As discussed previously, succession is a part of the overall Employee Engagement transformation. That said, we have communicated that Employee Engagement is a bit linear, as various elements of the Engagement strategy must be in place before succession can be implemented. We are pleased to advise, that we are well underway with these priorities, including a succession strategy. As a reminder, we previously communicated the target for implementation was TBD 2019, which still seems realistic, but most likely Q3 2019.

The following represents the sequence and status of the Employee Engagement focus:

1. Communication/Intakes and Needs Assessments – Are in process and continue
2. Employee Training – Live and eLearning trainings have been implemented, enterprise-wide, and continue. (These trainings have primarily focused on Professional Standards, Sexual Harassment and Bridging the Supervisor Gap).
3. A partnership with SkillSoft, a cloud-based eLearning provider of 24-7 on-demand learning, was implemented, configured and launched, on a limited basis, July 11th, 2018. Course catalogs were developed and have been put in place. Some targeted training has occurred and we continue to work on our overall delivery and full-scale implementation moving forward.
4. A partnership with Wayne State has been implemented and the custom leadership development training is being constructed. Training should begin in February 2019.
5. We have short-listed three (3) possible application suppliers for "Performance, coaching and Goal Setting, which have succession functionality". Procurement will start once comparable sources have final pricing.

Continued, page 2 of 2

6. In support of this project we have initiated the following:

- a. Draft framework of the succession process
- b. Designation of the succession committee
- c. Identification of:
 - i. Key positions
 - ii. High potentials
 - iii. Retirement risk

As stated in item (5), above, we have short-listed three (3) providers who were able to support initiatives 5 & 6, which will help us efficiently manage all of these associated functions of Succession. Procurement will start once comparable sources have final pricing.

It is our hope that our “two (2) person” Engagement Division will be able to deliver these strategies on time, as we were not able to add an additional staff member to this team, for the 2018/19 budget cycle.

**A THREE-YEAR COLLECTIVE BARGAINING AGREEMENT WITH THE DIETITIANS AND NUTRITIONISTS ASSOCIATION
(2019-43-004)**

CONTENT

The Department of Personnel/Human Resources' Division of Labor Relations is requesting Commission approval of a three-year collective bargaining agreement (CBA) with the Dietitians and Nutritionists Association.

The term of the CBA is from October 1, 2018 through September 30, 2021. The term of the previous CBA was from October 1, 2015 through September 30, 2018.

The new CBA was signed by Dietitians and Nutritionists Association President Peggy Hennigan and Vice President Rachel West on October 12, 2018, and by Joseph Martinico, the County's Director of Labor Relations, on October 23, 2018.

The five-member bargaining unit represents the classifications of Dietitian, Public Health Nutrition Consultant, Special Duty Nutritionist, Community Nutritionist Assistant and Special Duty Community Nutritionist Assistant. All five are Dietitians.

SUMMARY OF CHANGES FROM THE PREVIOUS CBA

• Article 6 deals with payment of association dues. Article 6.05 says: "The provisions of this Article shall be interpreted and enforced consistent with PA 349 of 2012, and with the decision of the United States Supreme Court in *Janus v. AFSCME*, decided June 27, 2018." The provision for Public Act 349, which helped to establish Michigan as a "right to work" state, carries over from the previous CBA. It permits employees to withdraw from a union, but keep their jobs. The *Janus v. AFSCME* portion -- which essentially says the same thing as Public Act 349, but on a national level -- was added

• Articles 34.02 and 34.03 now say that employees shall receive 2 percent raises on October 1, 2018 and April 1, 2020. Under the previous CBA, employees received a 1.5 percent raise for each of the three years.

• Articles 34.08 and 34.10 say that employees' wages shall not be tied in any way to the wages of other bargaining units. The language is very similar between the sections. A similar provision was Article 34.09 in the previous CBA.

• Article 34.09 in the new CBA was added to say that employees who are classified as a Public Health Nutrition Consultant and are required to function in the capacity of Team Leader

will receive an additional \$1.50 per hour. It replaces Memorandum of Agreement No. 5, which was deleted. The previous No. 5 gave Team Leaders an extra \$1.25 per hour.

•Article 46, the Successor Clause, was deleted. It said that the agreement shall be binding upon the County's successor, assignees or transferees in the event of the County's merger or consolidation.

•Article 47 establishes the CBA's effective dates as October 1, 2018 through September 30, 2021.

•Memorandum of Agreement No. 1 establishes that employees who are required to use their private vehicles while working shall be reimbursed for actual trip mileage according to the standard rate established by the IRS. It supersedes Article 33.01, which essentially used AAA rates.

RETROACTIVITY

Section 120-50 of the Procurement Ordinance, which prohibits premature performance and payment on contracts, does not apply to collective bargaining agreements, per Section 120-50(i).

BACKGROUND

The tentative draft of the previous CBA with the Dietitians and Nutritionists Association was reviewed by the Committee on Government Operations and approved with Commission Resolution No. 2015-527 on October 1, 2015. The vote on this item was as follows:

Yea -- Commissioners Barone, Basham, Clark-Coleman, Haidous, Killeen, LeBlanc, Leland, Marecki, Palamara, Scott, Varga, Webb, Vice-Chair Pro Tempore Ware, Vice-Chair Bell, Chairman Woronchak -- 15

The executed CBA with the Dietitians and Nutritionists Association was reviewed by the Committee of the Whole and approved with Commission Resolution No. 2016-352 on July 7, 2016. The vote on this item was as follows:

Yea -- Commissioners Anderson, Barone, Clark-Coleman, Haidous, Killeen, Leland, Marecki, Palamara, Scott, Varga, Webb, Vice-Chair Pro Tempore Ware, Vice-Chair Bell, Chairman Woronchak -- 14
Nay -- Commissioner Basham -- 1

A memorandum of agreement to modify the CBA with the Dietitians and Nutritionists Association requiring that a high-deductible health plan be offered through a health maintenance organization (instead of just through a preferred provider organization) was reviewed by the Committee of the Whole and approved with Commission Resolution No. 2016-358 on July 7, 2016. The vote on this item was as follows:

Yea -- Commissioners Anderson, Barone, Clark-Coleman, Haidous, Killeen, Leland, Marecki, Palamara, Scott, Varga, Webb, Vice-Chair Pro Tempore Ware, Vice-Chair Bell, Chairman Woronchak -- 14
Nay -- Commissioner Basham -- 1

PRELIMINARY CONCERNS

Why was this agreement not submitted to the Commission before the CBA's start date, October 1, 2018?

RESPONSE: The CBA was tentatively agreed-upon on September 19, 2018. The Union membership ratified the contract on or about September 20, 2018. Thereafter, a final draft of the CBA, incorporating the changes negotiated, was compiled and forward to the Union for review. After some delay, the Union returned the CBA with signatures on October 20, 2018. The Wayne County Director of Labor Relations signed on October 23, 2018. The CBA, along with supporting documentation, was then entered into TCM (SciQuest) the very next day, on October 24, 2018.

On October 31, 2018, the CBA was returned back to Labor Relations by Wayne County's Department of Management and Budget regarding mileage rate and requiring proof of driver's insurance. Once this was remedied and the CBA was amended, it was re-entered into TCM on November 8, 2018.

How many employees are in each classification, as defined in Article 3.02 of the CBA?

RESPONSE: Public Health Nutrition Consultant: 5. Dietitian: 0. Special Duty Nutritionist: 0. Special Duty Community Nutrition Assistant: 0. Community Nutritionist Assistant: 0.

This CBA deletes Memorandum of Agreement No. 5. Please provide all of the Memorandums of Agreement that were under the previous CBA. They are not in the Commission's records of the previous tentative draft (2015-47-012) or executed CBA (2016-45-008).

RESPONSE: (Staff note: They have been provided.)

Articles 34.08 and 34.10 are the same except for two words -- “whatsoever” in 34.08, and “anyway” in 34.08 and “any way” in 34.10. Please explain the differences.

RESPONSE: There is no substantive difference between these two sections.

Article 47.03 says that the agreement shall continue after September 30, 2018 if a new CBA is not in place, which is the end date of the previous CBA. Should this date be September 30, 2021? Please explain.

RESPONSE: Yes, this date should be September 30, 2021 and will be revised to reflect the correct date.

In SciQuest, the CBA’s starting date is January 1, 1900, which is used to signify that an agreement is to start upon Commission approval. However, the CBA has a start date of October 1, 2018. Please explain.

RESPONSE: The October 1, 2018 start date is only effective upon Commission approval.

Are any other unions working under expired CBAs? If so, which ones?

RESPONSE: Michigan Building and Construction Trades Council.

Which CBAs will expire on or before September 30, 2019? If any expire before September 30, when will they expire?

RESPONSE: AFSCME Non-Supervisory (Locals 25, 101, 409 and 1659), AFSCME Supervisory (Locals 1862, 2057 and 2926), AFSCME Local 3317, Police Officers Association of Michigan (POAM), Government Administrators Association (GAA), Professional Nurses Council-Units I & II (GAA), Government Bar Association (GBA), International Union of Operating Engineers (IOUE Local 324).

What is the status of negotiations for the above-mentioned CBAs?

RESPONSE: Negotiations for the above contracts are either currently in process or will begin in early Spring 2019. Preparation for these negotiations has begun by the Labor Team.

**A RETROACTIVE, FIVE-YEAR CONTRACT WITH HEALTH MANAGEMENT SYSTEMS OF AMERICA, INC. TO PROVIDE AN EMPLOYEE ASSISTANCE PROGRAM

2017 STATISTICS

In its RFP response, HMSA reported that in calendar year 2017, it handled 141 cases for Wayne County, served 498 clients, had 987 contacts and worked 658.53 hours. There were 20 open files on January 1 and 56 on December 31, and 66 files were closed during the year.

SUBCONTRACTORS

HMSA will subcontract with Workplace Options (of Raleigh, NC) for clinical after-hours coverage; CLC, Inc. (of Roseville, CA) for legal and financial services; and New Oakland Family Centers (of Clarkston) for psychiatric evaluations. The amount of money for each vendor is to be determined, and will be based on the number of clients that will be referred to them.

RFP PROCESS

The Procurement Division advises that the RFP was open from May 11, 2018 to June 7, 2018. Four proposals -- from HMSA, CARE's WorkLife Solutions, Henry Ford Health System and Ulliance, Inc. -- were received in response to 181 solicitations.

CARE'S WorkLife Solutions and Henry Ford Health System were deemed as nonresponsive because they did not meet the minimum qualifications of the RFP.

The four-member Evaluation Committee scored the two remaining respondents on a 100-point scale, with an average of 94.15 awarded to HMSA and an average of 73.85 awarded to Ulliance.

The Procurement Division recommends the award to HMSA as the most responsive and responsible proposer.

RETROACTIVITY

The Division of Benefits & Disability Administration advises that retroactivity is due to the RFP process, then gathering the necessary documents.

Section 120-50 of the Procurement Ordinance states, when Commission approval is required, no person can authorize performance or payment on a contract prior to approval by the Commission and execution by the County Executive. Any person who authorizes premature performance and/or payment may suffer penalties if damages were incurred as a result of the

premature performance. This may result in civil action and the person who violates the ordinance shall be personally liable, with liability not exceeding \$500 per violation.

Additionally, Section 120-50(d) states any person or business that provides services prior to approval does so at their own risk. They could be disbarred from receiving County contracts and must hold the County harmless against actual damages, costs, expenses and liability of any kind that the County sustains, incurs or is required to pay arising out of him, her or it rendering performance contrary to this Section.

Lastly, a resolution has been proposed that recognizes this contract is in violation of Ordinance No. 2006-1101 (as amended) and Section 5.143 of the Home Rule Charter for the County of Wayne, and directs the County Executive, in conjunction with Corporation Counsel, to submit a report to the Commission on this matter within 90 days.

A RETROACTIVE MODIFICATION TO A TWO-YEAR CONTRACT WITH A ONE-YEAR OPTION TO RENEW WITH ZAUSMER, AUGUST & CALDWELL, PC TO ADD FUNDS AND EXERCISE THE RENEWAL OPTION IN THE TRANSFER OF NORTHEAST SEWAGE DISPOSAL SYSTEM TO SOUTHEAST MACOMB SANITARY DISTRICT MATTER (2017-40-003M2)

CONTENT

The Office of Corporation Counsel is requesting Commission approval of a retroactive modification to a two-year contract with a one-year option to renew with Zausmer, August & Caldwell, PC (of Farmington Hills) in the amount of \$50,000 to exercise the renewal option, add funds and replace Exhibit B to the contract in the Transfer of Northeast Sewage Disposal System (NESDS) to Southeast Macomb Sanitary District (SEMSD) matter.

The modification increases the total amount of the contract from \$85,000 to \$135,000. The term of the modification is from December 6, 2018 through December 5, 2019. The term of the entire contract is from December 6, 2016 to December 5, 2019.

The hourly rates remain \$200 for attorneys and \$75 for paralegals and law clerks.

Corporation Counsel advises that as of November 30, 2018, \$76,162 has been spent on this contract with an outstanding invoice of \$10,848.50, for a total of \$87,010.50, which is \$2,010.50 more than the present contract. If this modification is approved, it would leave a balance of \$47,989.50.

NESDS TRANSACTION BACKGROUND

NESDS transports wastewater collected from six municipalities through the Fox Creek Enclosure Drain to the system operated by the Great Lakes Water Authority (GLWA) for treatment and disposal. Three of the NESDS municipalities are in Wayne County -- the cities of Grosse Pointe Woods and Harper Woods, and the Village of Grosse Pointe Shores-A Michigan City. The other three cities -- Eastpointe, Roseville and St. Clair Shores -- are in Macomb County.

The Commission voted 13-0 (2 excused) via Resolution No. 2018-342 on May 10, 2018 to approve a transfer agreement with SEMSD in the amount of \$6,741,007.26 for the transfer of NESDS to SEMSD. The SEMSD board had voted unanimously on September 27, 2017 to approve the transfer agreement terms; St. Clair Shores Mayor Kip Walby, who is the SEMSD

chairman, signed the transfer agreement that day. The SEMSD consists of the three Macomb County cities, and each city council also approved of the transfer.

Corporation Counsel previously advised that SEMSD closed on the NESDS transfer agreement on September 27, 2018.

The Commission voted 15-0 via Resolution No. 2018-686 on September 20, 2018 to authorize the administration to execute the NESDS closing documents and transfer system debt to SEMSD.

The Commission also voted 13-0 (2 excused) on October 4, 2018 to approve four items:

- To receive and file a draft version of the closing memorandum, via Resolution No. 2018-749.
- A transition services agreement with SEMSD to operate NESDS, via Resolution No. 2018-751.
- An agreement with GLWA regarding NESDS sewage service, which addressed the placement, operation and sewage meters within the system, via Resolution No. 2018-753.
- A agreement with GLWA and SEMSD regarding the assignment and assumption of the NESDS sewage system agreement, which assigned all of the County's NESDS obligations to SEMSD, via Resolution No. 2018-754.

ETHICS DISCLOSURE/NEED FOR COMMISSION SUPER MAJORITY APPROVAL

Submission of an Ethics in Contracting Vendor Form, also known as an Ethics Certification, is required under Section 120-225 of the Procurement Ordinance. The form for this modification, signed by firm shareholder Michael Caldwell, disclosed that Deputy County Executive Richard Kaufman has a "substantial financial interest" in Zausmer, August & Caldwell, PC in response to the question, "Do you and a contract manager each have a substantial financial interest in one or more of the same business ventures?"

The form for another Zausmer, August & Caldwell, PC contract (2018-40-151) that was before the Commission, but has since been withdrawn at the request of the Office of Corporation Counsel, contains the same disclosure. It was signed by firm shareholder Gary August.

When these two items were originally submitted to the Commission, Mr. Caldwell made the disclosure on his form, but Mr. August answered "no" to the question. Both items were returned to the Office of Corporation Counsel to address several issues, including this.

Because of this disclosure, Section 120-225(c) of the Procurement Ordinance requires that any contract with Zausmer, August & Caldwell, PC requires approval by a super majority -- or at least 10 members -- of the full Commission.

Section 120-225(c) of the Procurement Ordinance reads, "A shared business venture exists when the principal beneficiary and a county employee who is on the contract managers list each currently have a substantial financial interest in one or more of the same business ventures. If a shared business venture exists, then the contract shall be submitted for approval

of the County Commission, and it shall require the vote of at least ten commissioners to approve that contract."

Section 120-238(i) of the Procurement Ordinance defines "substantial financial interest." An abbreviated version is listed on the form as:

- "Ownership of any interest or involvement in any relationship, which results in the receipt of \$500 or more per year. Exceptions: Market-rate from a financial institution; income from ownership of less than \$10,000 of stocks and bonds traded on the national stock exchanges."

- "Holding a key position in a business such as officer, director, trustee, partner or sales manager. Exceptions: Officers who serve without compensation on the boards of charitable organizations."

Mr. Kaufman disclosed a "substantial financial interest" in Zausmer, August & Caldwell, PC on his Conflict of Interest forms for 2015-18.

ADDITIONAL ETHICS DISCLOSURE

Mr. Kaufman's son, Sean, is a clerk for Zausmer, August & Caldwell. This disclosure has been made to the Commission by the firm several times, and Mr. Kaufman disclosed his son's employment on his Conflict of Interest forms.

RETROACTIVITY

The modification is deemed retroactive, per Section 120-50(a) of the Procurement Ordinance because what has been spent and a pending invoice combined are greater than \$85,000, the contract's value.

Section 120-50 states, when Commission approval is required, no person can authorize performance or payment on a contract prior to approval by the Commission and execution by the County Executive. Any person who authorizes premature performance and/or payment may suffer penalties if damages were incurred as a result of the premature performance. This may result in civil action and the person who violates the ordinance shall be personally liable, with liability not exceeding \$500 per violation.

Additionally, Section 120-50(d) states any person or business that provides services prior to approval does so at their own risk. They could be disbarred from receiving County contracts and must hold the County harmless against actual damages, costs, expenses and liability of any kind that the County sustains, incurs or is required to pay arising out of him, her or it rendering performance contrary to this Section.

Lastly, a resolution has been proposed that recognizes this contract is in violation of Ordinance No. 2006-1101 (as amended) and Section 5.143 of the Home Rule Charter for the County of Wayne, and directs the County Executive, in conjunction with Corporation Counsel, to submit a report to the Commission on this matter within 90 days.

Return History:

Return No.	Received by Commission	Returned to Draft	Returned to Commission	Return Reason
1	8/30/2018	10/11/2018	10/18/2018	A current Certification of Employment Practices must be submitted, as required by the Procurement Ordinance. The firm's Lawyers Professional Liability and Excess Professional Liability insurance have expired.
2	10/18/2018	12/5/2018	12/11/2018	The first whereas clause in the modification document incorrectly states that Modification No. 1 was authorized under Section 120-121(a) of the Procurement Ordinance.

(Staff note: The answers were provided in early December 2018.)

How much money has been spent on this contract?

RESPONSE: \$76,162.00

Are there any outstanding invoices? If so, what is the total?

RESPONSE: One outstanding invoice #101054 for \$10,848.50

What work remains for Zausmer, August & Caldwell to perform in this matter, and when does the Office of Corporation Counsel anticipate that the firm's work will be finished?

RESPONSE: Transfer of appropriate software license for SCADA, the transfer and review of hard copy records that need to be completed prior to January, minor issues regarding the Transition Services Agreement. It is believed and hoped that there will be no outstanding issues by January 1, 2019.

(Staff note: SCADA stands for Supervisory Control and Data Acquisition, and it's for the computers associated with NESDS/SEMSD operations.)

The Ethics in Contracting Vendor Form discloses that Deputy County Executive Richard Kaufman has a "substantial financial interest," as defined in Section 120-238(i) of the Procurement Ordinance, in Zausmer, August & Caldwell, PC. Please define exactly what Mr. Kaufman's "substantial financial interest" is in Zausmer, August & Caldwell, PC. And, when did his "substantial financial interest" in the firm resume?

RESPONSE: Richard Kaufman disclosed a "substantial financial interest" in Zausmer, August & Caldwell, PC on his Conflicts of Interest forms for 2015 through 2018. While still a shareholder at the firm Mr. Kaufman worked on a matter which resulted in a contingency fee being paid to the firm well after his departure. Mr. Kaufman received a portion of the firm's fee based upon the work he had completed on the file while still a shareholder. He received his portion of this contingency fee in 2018. He answered the "substantial financial interest" consistently in anticipation that there may be a time when the case in question would settle and payment be owed. Mr. Kaufman has not established a new interest in the firm since his departure, and there are no additional matters which may produce a fee to which he is entitled.

Commission staff asked in February 2017 if Mr. Kaufman still had a "substantial financial interest" in the firm, in which he was a shareholder before becoming Assistant County Executive. The Office of Corporation Counsel answered that, "Mr. Kaufman no longer has a 'substantial financial interest' in the firm as of August 1, 2016." Did Mr. Kaufman have a "substantial financial interest" in Zausmer, August & Caldwell, PC at any time between August 1, 2016 and when it resumed (see previous question)? If so, please specifically define that "substantial financial interest," including the time period.

RESPONSE: Mr. Kaufman correctly accounted for the potential future payment on his Conflict of Interest forms for 2015-2018 even though the exact date and amount of the payment were not known at the time. However, the conclusion of the legal matter and the associated payment were anticipated prior to 2017. Since the definition of 'substantial financial interest' in the ordinance contemplates future and not simply present entitlements, the potential for this payment should have been addressed in Corporation Counsel's February 2017 response.

However, the response referred specifically to Mr. Kaufman having divested his ownership interest in the firm, which he did prior to his appointment as Deputy County Executive. Mr. Kaufman has not established a new interest in the firm since his departure.
